

Hi:

I had my local County Legislator Ed Romaine introduce and pass HR 218 qualifying legislation in Suffolk County only. Rockland Co. HR 218 is still a good choice (it's 231Ámiles and tolls - a no go for me!).

Please remember that only a Suffolk Co. resident - retired police officer are eligible for this.

To schedule a date/ time please call 631 852 8063.

There are two Bills in the State Legislature (A5814 and S3722) that would correct our HR 218 qualification problem.

These Bills are sitting the Codes Committee of each State House. The word from many sources say that these Bills are dead, dead, dead! Politically no one wants to tackle this,,,,,,,,, Thanks to the National FOP, we do have S1132.

Retired Supervising Fire Marshal (FDNY)
